## SWIMMING POOL VERMICULITE

Coverage Chart for Inground Pools			
Rectangle	V+16	Pool Krete	A Tops
16' x 32'	32 bags	64 bags	60 bags
16' x 36'	36 bags	71 bags	68 bags
18' x 36'	41 bags	81 bags	75 bags
20' x 40'	50 bags	100 bags	95 bags

These are approximate quantities. The degree of accuracy in digging the pool will greatly affect the amount of pool base necessary. Quantities are based on a 1.5" to 2" thick bottom. The above calculations were from measurements given by pool manufacturers.
